

Consider giving back this season.

As we enter a season dedicated to giving thanks, the AANA Education Foundation expresses sincere gratitude toward all its wonderful corporate partners and donors who give back to the next generation of Orthopaedic Surgeons. The countless contributions received on your behalf is what ultimately helps advance the field of minimally invasive surgery and improve patient outcomes.

This issue of *Seeing Beyond the Scope* highlights the many ways in which you can give back this season to help the Foundation reach its 2020 goal – there's even a new opportunity for you to get your patients involved! The Foundation encourages you to celebrate the season of giving and make a lasting impact on generations of surgeons to come.

Enjoy,

The AANA Education Foundation
